

ROHAN GUPTA

Machine Learning Engineer

Email:

rohangupta.ml@gmail.com

Phone: +91 9876145872

Pune, Maharashtra

Skills

Python, PyTorch, TensorFlow,
OpenCV, YOLOv8, FastAPI,
Docker, AWS, MLflow, SQL

Professional Summary

Machine Learning Engineer with 3 years of experience developing computer vision and NLP solutions for production.

Experience

Machine Learning Engineer, VisionAI Technologies (2022-Present)

Built object detection systems, deployed ML models on AWS, improved inference speed by 40%.

Projects

AI Resume Screening System

Face Mask Detection

Vehicle Detection using YOLOv8

Plant Disease Detection

Education

B.Tech CSE, VIT

CGPA: 8.82

Certifications

TensorFlow Developer, AWS ML Foundations, Deep Learning Specialization
